

DECEMBER 2020 NEWSLETTER

Hi Members

Hoping you are all doing OK, will be good to put 2020 behind us and hopefully be back to something like normal in 2021.

On a sad note the passing of our long time loyal members in the last 12 months Greg O'Connell and Jim Traynor.

Ken Stockton has retired from budgies after being a good supporter of our shows for over 40 years we would also like to thank Michael Weeding, Tim Doughty and Andrew Barker for their significant input to the club during their short stay.

We have 6 new members to welcome to our club, and look forward to meeting in 2021, any advice regarding care or the breeding of budgies our committee and members will be able to help out.

Annette Nobes, George Argyos, Mathew Oswald and Alana Smith also Jeff Wright and Neil Collins as a 2nd club

I have attached a proposed only 2021 syllabus, as we have not as yet had confirmation regarding the BCV Championship dates or Club Diploma Shows, just waiting on the government to remove some restrictions.

We have pencilled in our 2019 and 2020 AGM's for the March 21 meeting, as we have been issued a time extension for the 2019 AGM, I will send out more detail and nomination forms in due course

After some discussion with the Dandenong and United clubs it was decided to cancel our Young Bird Interclub Competition in March, because of the possible overcrowding of our hall at this time, we may look at having a UBC Interclub show in November.

The BCV have indicated that no exhibitors will be disadvantaged or have their show status reduced due to lack of points accumulated for this entire show season, also the Beginner Section will have a year added to the mandated five year term unless they have accumulated the 30 points required for elevation to Intermediate.

The club has show cages for sale, if you contact Neil Hunt on 0413 597124

President: Lloyd Richardson 0408 176390
