Next Meeting: JUNE MEETING CANCELLED

Hi Members

The committee have decided that with the hall restrictions that are in place at present after just coming out of lockdown, that we will cancel the June club meeting and hope things get back to something like normal next month.

New Members:

We would like to welcome two new members Michael Meney and Michael Neliroski, looking forward to seeing them at our next meeting

YOUNG BIRD CHAMPIONSHIP RESULTS:

Best Bird at our CLUB SELECTION was a Grey Green by Mark Brennand
Reserve Cinnamon by Lloyd Richardson

Our club finished in 5th place with 490points 2 points behind Mountain Dist. and a distant 376 points behind the winning club United, but not a bad result considering we had no birds representing us in 5 classes, so we need members to consider breeding- Black Eyes, Clearwings, Lutino's, Double Factor Spangles, Fallows and you will be guaranteed a spot in the Shield team, get points for your club and help us move up the ladder.

We did not win any classes but had a number of birds well placed on the day
