AGM

The club will be holding the Annual General Meeting on Thursday 25th March, it has been a long break from the social side of the hobby with no shows for 12 months and members tend to lose enthusiasm, the social side of the hobby is just as important as trying to breed good birds, so come along and have some input in the future of your club.

All positions on committee will become vacant on the night, I have attached a nomination form.

President: Plan and run meetings, oversee general running of the club, and primary contact

Vice President: To support the club president and undertake delegated jobs

Secretary: Meeting minutes, correspondence, carry out actions set by committee

Treasurer: Club financial affairs

Show Manager: Club night staging and organise annual show

General Committee: Participate at committee meetings and offer support to any tasks that need completing.

This is just to give you some idea of the tasks that may be involved, however joining committee is the best way to make friends and enjoy the hobby.

ADULT BIRD CHAMPIONSHIP SELECTIONS:

We had only 96 birds and 10 exhibitors at our selection night which was a disappointing turn out, and a few classes short, albino, lutino and clearbody being the main varieties.

I would like to thank the members that took the time to support the club on the night.
