## Tips for Beginners

Upon joining the club, you should all receive a copy of the Club's Beginners Pack. If you haven't got one, please ask Penny to send it to you.

The guide is full of information about rearing birds and showing them.

It can be quite mind blowing the first time you read it and I suggest you reread it, or at least sections of it, a couple of times in your first year, and even your second year, when some more complicated things may become clearer to you. Remember if you don't understand something, don't hesitate to ask a member.

Another excellent source of information is the BCV website: <http://www.bcv.asn.au/clubs.html>.

I recommend you make yourself familiar with this site as it should be the go to for all BCV members about shows, rules, important dates etc.
