### ANNUAL SHOW:

The committee are asking for your support at our ANNUAL SHOW, traditionally we put on one of the best club annual shows but to make it a successful day we need our members to uhelp out.

1. The BCV Staging will delivered to the hall at **4pm on the Saturday 26th**, a team of helpers are required for an hour to erect our staging ready for the show on Sunday 27th
2. Volunteers as show stewards -8 required
3. Show Entry Stewards – 2 more required
4. 2 members to run the brooms around during show.
5. Team of helpers to check birds out and clean hall after the show.
6. Most importantly to support your club by entering lots of birds

It is a big expense to put a show with such a huge trophy and awards list, so I am sure you will not go away empty handed.
