**CLUB SELECTIONS UBC CHAMPIONSHIP:**

We had a very disappointing turn out for our club UBC selections, with a number of classes having no representation, it is very difficult to gauge whether our members have had a poor breeding season or they prefer to breed the birds in Autumn or Spring to avoid our cold winter but it may suit a number of breeders to have the UBC Shield later in the year as is indicated by the large entry of UBC's we get at our Annual Show. Congratulations to our winners on the day

Best Bird and winner of the Rob Davis Perpetual Trophy was Stephen Quinn with a Dominant Pied.

Reserve bird was by David Charlton with an Australian Whitecap

Best Lesser Variety was by Rob Dagg with a Fallow.

**VICTORIAN UBC BIRD CHAMPIONSHIP:**

The Mountain District Club won the UBC Shield Club Competition 756 points beating United by 17 points, Eastern finished a distant 12th with 208 points, I cannot recall us finishing that low at the Shield before. Alan Baxter(United) had best in Show with an Opaline AOSV, Reserve was Ray Slade (Colac) with a Cinnamon. Sheppard & Flanagan (Mountain) won 5 classes.

**Congratulations** to our 2 Class Winners David Charlton and Garry Stagg- also 6th Lacewing, 7th Fallow and 8th Crests, S & N Hunt-10th Grey Green, Robert Dagg 10th Fallow, but unfortunately we did not have any other birds featuring in the top placings.

**BEST LACEWING- GARRY STAGG**

**BEST AUSTRALIAN WHITECAP- DAVID CHARLTON**
